

## Change to National Coverage Determination may affect your Medicare coverage

The Centers for Medicare & Medicaid Services (CMS) sometimes change the coverage rules that apply to an item or service under Medicare. When this happens, CMS issues a National Coverage Determination, or NCD.

NCDs tell us:

- What benefits and services are covered
- What benefits and services are changing
- What Medicare will pay for an item or service

CMS recently issued an update to the NCD that applies to the following service:

**c**

Here is a description of the change to the NCD. This affects services given **on or after October 13, 2023**

| Services affected  | Additional information  |
|--|---|
| <p>The Centers for Medicare and Medicaid Services (CMS) issued an NCD to update Beta Amyloid Positron Tomography (Retired)</p> | <p>Effective October 13, 2023, the Centers for Medicare and Medicaid (CMS) removed NCD 220.6.20 from Publication 100-03, the National Coverage Determination (NCD) Manual. This ended coverage with evidence development (CED) for positron emission tomography (PET) beta amyloid imaging and permitting Medicare coverage determinations for PET beta amyloid imaging to be made by the Medicare Administrative Contractors under section 1862(a)(1)(A) of the Social Security Act.</p> |
